## EXPERIENCE

### Century 21

Bellevue, WA

Data Analyst

July 2020 - Aug. 2022

- Tasked with analyzing real estate listings by pulling data from local multiple listing services (MLS) into Excel.
- Provided daily updates on real estate activity locally, including new listings, pending sales, and sold properties.
- Ad hoc reporting on market trends such as actual price sold and the number of days on the market.

### Shanghai Garden

Seattle, WA

Waiter

June 2021 - Aug. 2022

- Improved social and teamworking skills through conversations with customers and colleagues.
- Demonstrated strong customer service skills and provided excellent service to guests in a fast-paced environment.

### Spark AR Go

Menlo Park, CA (Remote)

Beta Tester

Dec. 2021 - Apr. 2022

- Primary focus was ensuring the functionality and performance of the platform, as well as user experience.
- Provided detailed feedback on user experience, functionality, and design for beta releases.

### Kids Coming Together

Sammamish, WA

High School Leader

June 2021 - Sep. 2021

- Demonstrated strong leadership and teamwork skills through collaborative projects with motivated peers.
- Mentored younger children, developing their social and creative skills through group collaborative activities.
- Positive impact on the environment and wildlife by invasive species removal with the city of Sammamish.

## SKILLS

- C++, Java, HTML, CSS, Linux, Python, SQL, JavaScript
- Debugging, Full-Stack Web Development, Backend Software Development, Operations Management
- Collaborative, Inclusive, Leadership, Creative Thinker/Problem-Solver, Motivated, Adaptive
